REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Please correct the USPTO Filing Receipt to indicate the priority claimed in the filing papers to the present application's parent application, U.S. serial no. 09/353,911 (now issued as U.S. Patent 6,690,392).

The present application was filed on January 14, 2004 as a 37 CFR 1.53(b) Continuation of its copending parent application, U.S. serial no. 09/353,911, which thereafter issued as U.S. Patent 6,690,392 on February 10, 2004. The Application Transmittal Letter indicated that the present application is a Continuation, and identified the parent application, U.S. serial no. 09/353,911. A copy of the Application Transmittal Letter is attached to this paper as Appendix A.

CONCLUSION

In view of the foregoing, it is believed that the Domestic Priority of the present application will be corrected in the U.S. Patent and Trademark Office records. However, in the event there are any unresolved issues, the Office is kindly invited to contact applicant's representative, Scott Richardson, by telephone at (571) 748-4765 so that such issues may be resolved as expeditiously as possible.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Scott Charles Richardson", written over a horizontal line.
